*Wobniar* - Jamie Kleman 2017-09-22  
Did you ever wonder what would happen if we could turn the rainbow around, backwards, and upside down? New colors of course! This interactive coloring book allows readers of all ages to mix things up and discover new shades

that spark the imagination - BLURPLE, WHINK, and GRACK just to name a few! It's never too soon, or too late, to understand that not everything in life has to fit neatly in a box.  
*Max Opposite* - Meldon J. Wright 2012-02-01  
Max Opposite What do you do when you can't

control what you do, When your brain behaves in mysterious ways, When you're only 13, And discover your life is a lie? What do you do, When your search for the truth, Plunges you into a nightmare?" "Max has it all: action, adventure, international settings, a touch of romance and a sci-fi tilt. Great read for all ages." - A. H. (Auckland, New Zealand) "Rachel, do you dream?" "Of course I do. Everyone does." "Do you always have the same dream?" "Ah, no, that'd be pretty weird." "I thought so." "So what's this about, Max?" "I have the same dream every single night. Always have, for as long as I can remember." "That's definitely not normal. Even recurring dreams don't stay forever." "Fast moving with a clever plot. Max kept me completely involved. Thoroughly enjoyable... waiting for the next episode." - J. G. (Sydney, Australia) "Max makes Harry Potter look wimpy! Great characters and an absolutely fantastic story." - P. L. (South Carolina, U.S.A.) Max Opposite Every morning, thirteen

year old Max wakes from the same dream, scans his bedroom and waits for his memories to return. Every morning, when they do, he takes a deep breath and prepares for another day of humiliating events: Nicknamed 'Opposite' at school, Max is known for bizarre and inexplicable behaviour. Tired of being the fool, Max begins to question his purpose in life. What is wrong with him? Why does his mother keep secrets from him? Where does she secretly go at night? With the help of Rachel, his only friend, Max sets out to find the answers, and is quickly drawn into a world of danger far beyond any of the problems faced at school. Soon he and Rachel find themselves at odds with one of the most ruthless and wealthy criminal masterminds the world has ever known. In an international battle for survival, Max is forced to face the truth about himself, and soon realises that it's not easy being thirteen and discovering that your whole life has been a lie. It's not easy being Max Opposite.

## **How to Finish the Test When Your Pencil Breaks** - Cari Harris 2013-05

Surprise! You've just been laid off from the teaching position in which you have so passionately invested your time, talents and heart for years! What now? Hundreds of thousands of American teachers have been laid off in the last four years as a result of the long term recession that continues to challenge the country's economy. In this book, one of those teachers shares what that experience was like for her, how she coped with unexpected unemployment, and what she learned about finding her way as a teacher without a classroom. Full of not only truthful reflection and encouragement for teachers facing similar situations, this book also offers practical tips for how to handle lay-off and unemployment, and how to prepare yourself as an education professional to expand your career outside your classroom. These are uncertain times, but teachers don't need to feel uncertain about their

careers. There IS life as an education professional after lay-off!

## So You Think You're Smart - Pasqual J. Battaglia 2002-02

So You Think You're Smart is an eclectic collection of word games, riddles and logic puzzles to tantalize, tease and boggle the brains of readers of all ages and educational levels. The brain teasers are about ordinary words and things that everybody knows about so only common sense and a bit of resourcefulness are needed to solve them. The book is in its 17th printing and has appeared on Saturday Night Live.

## **Go Ask Your Dad** - Dominick Domasky 2016-04-24

Go Ask Your Dad challenges fathers from different faiths, cultures, and generations to come together and answer tough questions dads, children, and families face today. Fathers must learn from the past, be prepared now and in the future to discuss everything from sexual

education and identity to what kind of career path a youth could choose. They need to have answers on how to handle negative things such as cyber-bullying and ISIS, but also must encourage good choices for health, happiness and a brighter tomorrow. The authors of *Go Ask Your Dad* don't claim to be perfect dads; they do promise, in this book, you will find valuable lessons from their mistakes and successes.

*Change the Workgame* - Serilda Summers-McGee 2016-08-27

Research shows that diverse workgroups are more productive, creative and innovative than homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's success. *Change the WorkGame* has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and

inclusion consultant, and a member of historically marginalized communities, I have experienced wildly unsuccessful diversity and inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book, matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in *Change the WorkGame*, you will increase the diversity of your workforce within 6 months following the activation of the last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more

creative, and more dynamic. Don't wait to establish an inclusive work environment where everyone feels respected, appreciated and heard. Be the person to take the lead towards Change. If not you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company.

**Use It** - Cheryl Hunter 2012-06

As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of

becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

*The Jerk Next Door* - Komal Kant 2016-12-27  
Single, lacking cooking skills, and too awkward to function, Isla Matthews is content to spend her nights alone, and her days struggling to keep her cute little flower shop afloat. That is until a super-hot, Australian man shows up naked in her front yard-- her new neighbor, Leo Wayland. An irritating, free spirit with no boundaries, Leo eats her food, uses her hot

water, and, worst of all, saunters around shirtless, causing her to have all kinds of inappropriate thoughts about him. But as much as Leo rubs her the wrong way, Isla can't deny that he is filling up her lonely nights with his annoying smirks, making her laugh again, and daring her to change, one day at a time. Maybe, just maybe, Leo Wayland is exactly the smoldering intervention Isla needs to get her life back on track.

*Russian Step by Step Verbs of Motion* - Natasha Alexandrova 2013-06-24

Russian Verbs of Motion Workbook Part 2 is the first book in this series and presents an introduction to the verbs of motion - it covers seven pairs of non-prefixed verbs of motion: to move something by some method of transportation, to roll, to roam, to chase, to climb, to crawl, to drag. This Workbook has lots of activities that use these verbs in a realistic context. Each pair of verbs is thoroughly explained. Answer keys are given at the back of

the Workbook.

**What's Your Green Goldfish?** - Stan Phelps  
2013-03-01

What's Your Green Goldfish is based on the simple premise that employees are the key drivers of customer experience and that "Happy Employees Create Happy Customers." The book focuses on 15 different ways to drive employee engagement and reinforce a strong corporate culture. It's the second book in the goldfish trilogy. The first book was an Amazon Best Seller entitled, What's Your Purple Goldfish. Purple focused on customers, whereby Green focuses on employees. Both books are based on a revolutionary new approach called marketing g.l.u.e. (marketing by giving little unexpected extras). The book is based on the findings of the Green Goldfish Project, an effort which crowd sourced 1,001 examples of signature added

value for employees. Key themes emerged from the Project. The book is filled with over 200 examples. PRAISE FOR WHAT'S YOUR GREEN GOLDFISH "Stan is the sherpa that guides executives along the journey between the heart and mind of business stakeholders. Stakeholders aren't always customers though. At a time when company vision and culture matters more than ever, it takes inspired and engaged employees to bring them to life." - Brian Solis, author of What's the Future of Business #WTF, The End of Business as Usual and Engage "So often overlooked, and so very vital to building company value... empowering employees to support each other and the brand. Stan Phelps 'gets' it and Green Goldfish will walk you step-by-step though achieving this critical goal." - Ted Rubin, author of Return on Relationship "Great customer centric organizations only exist because of engaged and empowered employees. The Green Goldfish is packed with awesome examples of what world class companies are

doing today to inspire and reward their employees. If you see value in truly building an "A Team," Green Goldfish will be, without question, your single best reference." - Chris Zane, Founder and President of Zane's Cycles, author of Reinventing the Wheel, the Science of Creating Lifetime Customers "Stan Phelps takes customer service to a whole new level by focusing on EMPLOYEE service, and how to do well by your employees - so they take care of your customers. Packed with stories, insights and R.U.L.E.S. any company can follow, this book is a must-read for managers of companies of all shapes and sizes who know that employees don't leave jobs - they leave managers, especially when they don't feel your love and appreciation. Pick this up, and start engaging your team and making more GREEN - Phil Gerbyshak, author of The Naked Truth of Social Media "Our large-scale research shows unequivocally that engaged employees are more likely to work longer, try harder, make more suggestions for

improvement, recruit others to join their company, and go out of their way to help customers. They even take less sick time. Companies can tap into the enormous value of engaged employees by following the 15 ideas that Stan lays out in this book." - Bruce Temkin, author of The Six Laws of Customer Experience "Too often, the actual employment experience delivered on the job does not measure up to the version sold to job candidates during the interview process. In What's Your Green Goldfish, Stan Phelps offers 15 ways to close the gap." - Steve Curtin, author of Delight Your Customers: 7 Simple Ways to Raise Your Customer Service from Ordinary to Extraordinary (AMACOM, June 2013) "In What's Your Green Goldfish, Stan Phelps brilliantly applies the idea of 'doing a little something extra' for employees. You know, those people that actually get the work done and keep customers happy. Read it, put some of the ideas to work, and soon you'll be reaping more 'green'

from your customers." - Bob Thompson, Founder and CEO, CustomerThink Corp.

**Tough Call** - Matt Popovits 2016-09-07

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your

peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

*Sequencing* - Michael Metzger 2010-04

Watson and Crick discovered the human DNA. What made the difference was deciphering it. Like the human body, every organization has a DNA. What will make the difference is not seeing it, but sequencing it. It's the key to long-term success at innovation. Sequencing, written by business consultant Michael Metzger, explores what is required for a company to develop a culture that promotes innovation for the long haul. Harvard's Clayton Christensen reports that few companies have the capacity to innovate. The more success a company achieves, the harder it is for the company to innovate. And yet the reality is that companies innovate or die. Metzger outlines the steps necessary to sustain innovation - the culture, conscience, and C-level leadership required. It begins by having an accurate assessment of human nature and reality. Institutional leaders ignore this book at

their peril.

**Release Your Shoulders, Relax Your Neck** -

Howard Vanes M.A. 2012-08

Do you suffer from shoulder pain or shoulder tension? How about neck pain? Shoulder and

neck pain can be very debilitating. Think about all the ways you use your shoulders and neck: whether it is working at a computer, driving, engaging in your favorite activities, turning your head, sleeping, or even picking up a fork to eat can be painful and difficult. Shoulder tightness and neck pain are your body's way of letting you know that you are risking a more serious injury. It is vitally important to prevent and address shoulder and neck issues as soon as possible, before more serious injuries occur. The average shoulder injury causes a person to miss 28 days of work! In *Release Your Shoulders, Relax Your Neck*, you will discover: How to eliminate shoulder tension and neck pain with 53 highly effective shoulder and neck exercises. Photos of the exercises with easy to follow instructions. The main causes of shoulder and neck pain. Key prevention strategies to stop problems before they start so you can have healthy shoulders and a pain free neck. Why computer users are at high risk for injury and what to do to

significantly reduce your risk. How to speed healing of shoulder and neck injuries and get back into your favorite activities. Anatomy of the shoulder joints, how they move and why they can get so tight. This book is a must for people who work on computers, dental hygienists, hair stylists, athletes and anyone who carries a lot of stress in their neck or shoulders. Personal note from the author: As a yoga instructor with over 16 years of experience, I can tell you that one of the top questions I have heard from my students time after time is how can they relieve shoulder pain and neck pain. The right yoga postures can keep your shoulders and neck healthy and pain free. Best of all you don't even have to have any experience with yoga to use this book. That is why I wrote it; to show people how to use gentle yoga postures to relieve shoulder and neck issues and also to help them understand why their shoulders and neck become painful or tight in the first place. Think of this as your healthy shoulder handbook! What others are saying

about Release Your Shoulders, Relax Your Neck The exercises as well as the information on stretching and strengthening the shoulders and neck is fantastic. This is a very patient friendly approach to understand the complex shoulder. Also included are excellent tips and advice for prevention. I have and will continue to refer to Howards book in treating patients. Dr. Richard Harvey, Chiropractor This book is the perfect answer for writers like me who spend most of their waking hours at a computer. The exercises are clearly described, easy to do, and most can be done right in my office. After years of neck and shoulder pain and stiffness it is wonderful to feel loose and pain-free again. Peter G. Engleman, Author, ?The Minyanaires As a graphic designer who spends a lot of time at a computer I have suffered from tight shoulders from many years, Release Your Shoulders, Relax Your Neck has been a blessing. Not only do my shoulders feel better but I feel less stress and enjoy better energy too! Howard Petlack, Co-

owner, A Good Thing, Inc. Howard VanEs, M.A. is also the co-author of Office Ergonomics, Preventing Repetitive Motion Injuries and Carpal Tunnel Syndrome. Board Member Orientation - Michael E. Batts  
2011-02-01

Finally! Board member orientation truly simplified. Serving on a nonprofit board can be an incredibly rewarding experience for the properly prepared board member. This book is for the generous and busy people who agree to give of their time and talents by serving on nonprofit boards. Nonprofit boards often fail to

do a good job of board member orientation for a variety of reasons. It takes a significant amount of time and effort to plan and conduct quality board member orientation programs, and every time a new board member arrives, it's time to do it again! Because of the challenges associated with providing quality board member orientation, many nonprofit organizations do not do it at all, leaving their board members to wing it. This book provides help and support to the truly great men and women serving on nonprofit boards whose service makes a positive difference in the lives of countless people every day. This book is a concise and appropriately comprehensive guide to nonprofit board service designed especially for new board members. It is a quick read, (about one hour), yet it addresses with accuracy the most significant elements of board service, such as mission, responsibility, duty, risk, liability, and board meeting dynamics. Hooey Alerts! Watch for Hooey Alerts! where the author identifies and dispels common myths and

legends about nonprofit board service. There are many sources of false or misleading information about the nonprofit board service environment. A perfect example is the often vaguely-worded and intimidating assertion or implication that the Sarbanes-Oxley Act passed by Congress in 2002 applies to nonprofit organizations in a manner similar to how it applies to publicly-traded companies. (It does not.) Reviews "This book is the perfect guide for every nonprofit board member! Concise, highly informative, and loaded with nuggets of wisdom, it's a must read that will take board members to the next level of successful board governance." -- J. Todd Chasteen, General Counsel, Samaritan's Purse "Mike Batts has put his quarter century of advising and serving on nonprofit boards to good use in this accurate and easy-to-read book. In addition to describing major principles of nonprofit law and governance, the book provides helpful questions to guide board members in understanding the practical applications of the

concepts discussed. While geared primarily toward helping new board members get up to speed quickly, it should also help veteran board members discharge their stewardship roles wisely and efficiently." -- Chuck Hartman, Associate Professor of Business Law and Accounting, Cedarville University "This book, Board Member Orientation, is exactly what a busy volunteer board member needs. The board member's duties are presented in a clear and concise manner from the perspective of someone who has been around many boards. With a focus on those issues that are most common and/or most important, it is perfect for board member orientation and for quick reference reminders for the experienced board member." -- Doug Starcher, Partner, Broad & Cassel "This book provides clear, no-nonsense guidance on the basic issues for new nonprofit board members. Using this book for board member orientation will ensure your organization has communicated fundamental governance issues and will assist

the board in determining risk management strategies." -- Dan Busby, President, ECFA  
\*\*\*\*\* The Simple Board Member Orientation Process Using This Book: 1. Your board members read Chapters 1-9 of the book, which will provide them with insights regarding the key elements of nonprofit board service. 2. You provide the board members with copies of the documents described in Chapter 10 related to your organization. 3. You meet with your board members to discuss the unique attributes of your organization following the discussion questions provided in Chapter 10. Done!

The Middle East is spinning out of control, but what does that mean to a simple fast-order cook in Central California? Everything-his family, his love life, his future, his purpose. And it may be that he means a great deal to the Middle East. Some are willing to kill him and others are willing to risk their lives to protect him. This

adventure takes the reader to Turkey, Iran, and Arabia. Themes of historical religions of the Middle East, modern interpretations, truth, understanding, and what the future holds for this volatile region are interwoven throughout the book. Romance and its seeming impossibility provide a metaphor for all that is wonderful about this region, and all that may be suffocating hope. The unspoken question through most of the book asks is something more happening as this adventure unfolds?
