Our content is drawn from our own national textbook, Principles of Real Estate Practice - one of the most widely used principles textbooks in the country. Finally, our national content, as well as our question selection, is further tailored to the state testing outline promulgated by AMP for Illinois. Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your Illinois license exam.

[The Anarchist Cookbook](#) -

William Powell 2018-03-11

The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There i detailed advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on

natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

(100 questions) We know the
real estate licensing exam can
be tough, and very nerve-
wracking to prepare for. That's
why we created Massachusetts
Real Estate License Exam Prep
(MA-RELEP) the way we did.
Since we have been managing
real estate schools and
developing curriculum for forty
years, we know how all this
works - or fails to work. MA-
RELEP is comprehensive in
that it contains both key
content review and testing

practice. And the text review is
Massachusetts-specific - not
just simplistic national content,
but terse, relevant and
accurate Massachusetts laws
and regulations presented as a
well-organized set of state 'key
point reviews' ideal for pre-test
memorization. But let's not
dismiss the importance of the
national content either. MA-
RELEP's national key point
reviews are a succinct
compression of tested national
principles and practices that
comprise the national portion
of state license exams from
coast to coast. Our content is
drawn from our own national
textbook, Principles of Real
Estate Practice - one of the
most widely used principles
textbooks in the country.
Finally, our national content, as
well as our question selection,
is further tailored to the state
testing outline promulgated by
PSI for Massachusetts. Thus
the breadth and depth of the
law reviews and test questions
reflect the topic emphasis of
your state's testing service and
your Massachusetts license
exam. A word about the test

questions... MA-RELEP's testing practice section consists of ten national practice tests, Eight state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews - which reinforces your learning of the total body of information tested by your state exam. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation, or "rationale" to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have

done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Massachusetts real estate exam. So good luck!! For students looking for a Massachusetts textbook to complement Massachusetts Real Estate License Exam Prep, we have Principles of Real Estate Practice in Massachusetts.
