*The Celestine Prophecy* - James Redfield  
1995-09-01  
THE #1 BESTSELLING INTERNATIONAL  
PHENOMENON - NOW WITH A NEW PREFACE  
You have never read a book like this before--a  
book that comes along once in a lifetime to  
change lives forever. In the rain forests of Peru,

an ancient manuscript has been discovered.  
Within its pages are 9 key insights into life itself  
-- insights each human being is predicted to  
grasp sequentially; one insight, then another, as  
we move toward a completely spiritual culture  
on Earth. Drawing on ancient wisdom, it tells  
you how to make connections among the events

happening in your life right now and lets you see what is going to happen to you in the years to come. The story it tells is a gripping one of adventure and discovery, but it is also a guidebook that has the power to crystallize your perceptions of why you are where you are in life and to direct your steps with a new energy and optimism as you head into tomorrow. Praise for The Celestine Prophecy "A gripping adventure

story filled with intrigue, suspense, and spiritual revelations." - Commonwealth Journal "A spiritual classic...a book to read and reread, to cherish, and to give to friends." - Joan Borysenko, PhD, author of Fire in the Soul "In his inimitable style of great storytelling, Redfield opens us up to a world of insight, inspiration, synchronicity, and power." - Deepak Chopra
