Sequoyah - James Rumford 2004-11-01

The story of Sequoyah is the tale of an ordinary man with an extraordinary idea—to create a writing system for the Cherokee Indians and turn his people into a nation of readers and writers. The task he set for himself was daunting. Sequoyah knew no English and had no idea how to capture speech on paper. But slowly and painstakingly, ignoring the hoots and jibes of his neighbors and friends, he worked out a system that surprised the Cherokee Nation—and the world of the 1820s—with its beauty and simplicity. James Rumford's Sequoyah is a poem to celebrate literacy, a song of a people's struggle to stand tall and proud.

Science Detective - Stephen David Fischer 2008

Hope No Matter What - Kim Hill 2008-04-01

Divorced parents desperate to help ease their childrens' pain after divorce will welcome Hope No Matter What. This interactive devotional

will help now-single parents guide their children through the fallout of divorce by offering hope through faith in God with assurance of his steadfast mercy. Birthed out of Kim Hill's personal story, this book blazes a trail for parents and children to process their feelings, express their fears, and focus on God's faithfulness in spite of their sadness and disappointment. Parents concerned about their children's emotional and spiritual wellbeing will find this book opens the door to meaningful conversations so as to calm fears and dispel emotional confusion. Each part of the 31-day devotional includes a lyric from one of her songs, a devotion, a Scripture, and a prayer with a directed activity for parent/child interaction.

The Status of Social Studies - Jeff Passe 2013-10-01

A team of researchers from 35 states across the country developed a survey designed to create a snapshot of social studies teaching and learning in the United States. With over 12,000 responses, it is the largest survey of social studies teachers in over three decades. We asked teachers about their curricular goals, their methods of instruction, their use of technology, and the way they address the needs of English language learners and students with disabilities. We gathered demographic data too, along with inquiries about the teachers' training, their professional development experiences, and even whether they serve as coaches. The enormous data set from this project was analyzed by multiple research teams, each with its own chapter. This volume would be a valuable resource for any professor, doctoral student, or Master's student examining the field of social studies education. It is hard to imagine a research study, topical article, or professional development session concerning social studies that would not quote findings from this book about the current status of social studies. With chapters on such key issues as the teaching of history, how teachers address religion, social studies teachers' use of technology, and how teachers adapt their instruction for students with disabilities or for English language learners, the book's content will immediately be relevant and useful.

Reading Instruction That Works, Fourth Edition - Michael Pressley 2014-10-07

This widely adopted text and K-8 practitioner resource demonstrates how successful literacy teachers combine explicit skills instruction with an emphasis on reading for meaning. Distinguished researcher Richard L. Allington builds on the late Michael Pressley's work to explain the theories and findings that guide balanced teaching and illustrate what exemplary lessons look like in action. Detailed examples offer a window into highly motivating classrooms around the country. Comprehensive in

scope, the book discusses specific ways to build word recognition, fluency, vocabulary, and comprehension, especially for readers who are struggling. New to This Edition *Updated throughout to reflect important recent research advances. *Chapter summing up the past century's reading debates and the growing acceptance of balanced teaching. *New and revised vignettes of exemplary teachers.

Glencoe Math 2016, Course 2 Student Edition - McGraw-Hill Education 2015-08-03

Economic and Personal Finance Education in Our Nation's Schools In

2004 - Robert F. Duvall 2008-10

This survey gives an indication of how best to address the teaching of economics and personal finance in our nation. It must be state-by-state, because that is where curriculum decisions are made. The federal government must encourage states to place economic and personal finance education not only into state standards, but into the core curriculum. This report looks at the national picture and sees where we are succeeding and where we need more attention. Tables and maps.

Reading Engagement - John T. Guthrie 1997

Drawing on the professional literature of many fields, this book provides an interpretation of the available research on motivation and describes instructional approaches in classroom contexts. The book aims to help

teacher educators, researchers, and graduate students understand the research literature in motivation and use in their efforts to enhance children's literacy development. After an introduction, "Reading Engagement: A Rationale for Theory and Teaching" (John T. Guthrie and Allan Wigfield), chapters in the book are: (1) "Children's Motivations for Reading and Reading Engagement" (Allan Wigfield); (2) "Developing Self-Efficacious Readers and Writers: The Role of Social and Self-Regulatory Processes" (Dale H. Schunk and Barry J. Zimmerman); (3) "Motivation, Volition, and Collaborative Innovation in Classroom Literacy" (Lyn Corno and Judi Randi); (4) "The Pull of the Text and the Process of Involvement in Reading" (Diane Lemonnier Schallert and JoyLynn Hailey Reed); (5) "Teacher Perceptions of Student Motivation and Their Relation to Literacy Learning" (Anne P. Sweet); (6) "The Role of Responsive Teaching in Focusing Reader Intention and Developing Reader Motivation" (Robert B. Ruddell and Norman J. Unrau); (7) "Characteristics of Classrooms That Promote Motivations and Strategies for Learning" (John T. Guthrie and Ann Dacey McCann); (8) "Integrating Science and Literacy Experiences to Motivate Student Learning" (Roger Bruning and Barbara M. Schweiger); (9) "Ownership, Literacy Achievement, and Students of Diverse Cultural Backgrounds" (Kathryn H. Au); (10) "Starting Right: Strategies for Engaging Young Literacy Learners" (Julianne C. Turner); (11) "Incentives and Intrinsic Motivation to Read" (Linda B. Gambrell and Barbara Ann Marinak); and (12) "School Change and Literacy Engagement: Preparing Teaching and Learning Environments" (Carol Minnick Santa). (RS)
