**Me Before Mom** - Bert M. Anderson  
2018-11-23

No one warned me that becoming a mother would make me feel so rudimentary and small. Motherhood is amazing and because it's so amazing every mother should feel whole and blissfully happy. While that sounds like an easy task, many of us find ourselves lost among the dishes, carpools, homework, and family calendar. It doesn't have to be that way. ME BEFORE MOM asks moms to put in the time to find themselves again; stripping off the mom guilt of what motherhood should look like. What Bert Anderson has written is a call for mothers everywhere to focus on themselves, whether it's through finding a new passion, taking care of herself or investing in friendships. Each chapter focuses on a topic: finding your passion, self-care, emotional intimacy, and self assessments. Written in an easy format and with an accompanying journal ME BEFORE MOM is the perfect book for mothers of all ages.

*The Book of Mother* - Violaine Huisman  
2022-10-18

Longlisted for the 2022 International Booker Prize A New York Times Notable Book A Library Journal Best Book of 2021 A "marvelous...superbly effective" (The New Yorker) debut novel about a young woman coming of age with a dazzling yet damaged mother who lived and loved in extremes. Met by rave reviews in The New Yorker, The New York Times, and more, this stunning translation of Violaine Huisman's "witty, immersive autofiction showcases a Parisian childhood with a charismatic, depressed parent" (Oprah Daily). Beautiful and magnetic, Catherine, a.k.a. "Maman," smokes too much, drives too fast, laughs too hard, and loves too extravagantly, and her daughter Violaine wouldn't have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. Even as Violaine and her sister long for their mother's return, once she's back Maman's violent mood swings and flagrant disregard for personal boundaries soon turn their home into an emotional landmine. As the story of Catherine's own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as

she is transgressive. With spectacular ferocity of language, a streak of dark humor, and stunning emotional bravery, *The Book of Mother* is an exquisitely wrought story of a mother's dizzying heights and devastating lows, and a daughter who must hold her memory close in order to surrender, and finally move on.

**The Mythic Fantasy of Robert Holdstock** - Donald E. Morse 2014-01-10

Robert Holdstock was a prolific writer whose oeuvre included horror, fantasy, mystery and the novelization of films, often published under pseudonyms. These twelve critical essays explore Holdstock's varied output by displaying his works against the backdrop of folk and fairy tales, dissecting their spatiotemporal order, and examining them as psychic fantasies of our unconscious life or as exempla of the sublime. The individual novels of the Mythago Wood sequence are explored, as is Holdstock's early science fiction and the Merlin Codex series.

Reeva - June Steenkamp 2014-11-06

In the early hours of Valentine's Day 2013, Olympic athlete Oscar Pistorius killed his girlfriend Reeva Steenkamp, shooting her multiple times while she cowered behind the locked door of their bathroom. His trial has attracted more international media attention and public scrutiny than any since that of OJ Simpson. What went on behind the scenes though? And what was the real Reeva like, away from the photo shoots and the attention of the media? A beautiful 29 year old from Port Elizabeth, Reeva graduated as a lawyer and campaigned for human rights causes before deciding to try the world of modelling in South Africa's most vibrant city. Her relationship with international hero Oscar Pistorius seemed like a fairy tale of triumph over adversity - double amputee turned champion athlete meets small town girl with beauty and brains wanting to make her mark on the world. No one could have predicted the tragic and horrifying conclusion to that fairy tale. Reeva's mother, June Steenkamp, has kept a dignified silence throughout the long months since she received the phone call every mother dreads. In this painfully honest and unflinching account of Reeva's life, she talks about what really went on in her mind as she sat in the packed Pretoria court room day after day and how she is coping in the aftermath of the

verdict. Reeva is the only true insider's account of this tragic story.

**Robert Bly** - Howard Nelson 1984-04-16

Robert Bly

**The Month** - 1905

The Masks of Hamlet - Marvin Rosenberg 1992  
Hamlet's challenge: "You would pluck out the heart of my mystery - " Yes, we would. If we could. We can but try; and the best way to begin, this book suggests, is to share what distinguished actors, scholars, and critics have gleaned; and thus enriched by their experience forage in the text and come to know the play personally, intimately. Again and again Mr. Rosenberg will insist that only the individual reader or actor can determine Shakespeare's design of Hamlet's character - and of the play. More, the reader, to interpret Hamlet's words and actions at the many crises, needs to double in the role of actor, imagining the character from the inside as well as observing it from the outside. So every reader is deputized by the author to be an actor-reader, invited to participate within Hamlet's mystery. The critical moments are examined, the options and ambiguities discussed, and the decisions left to individual judgment and intuition. The mysteries of other major characters are similarly approached. What terrible sin haunts Gertrude, that she never confesses? What agonies hide behind Claudius' smile? Does Ophelia truly love Hamlet? Does she choose madness? What are

Polonius' masked motives, as in using his daughter for bait for Hamlet? With how much effort must Laertes repress the conscience that finally torments him? Only the actor-reader can know. And the mystery of the play itself: by what magic did Shakespeare interweave poetic language, character, and stage action to create a drama that for centuries has absorbed the attention and admiration of readers and theatre audiences on every continent in the world? The reader-actor will find out. To prepare the actor-reader for insights, Mr. Rosenberg draws on major interpretations of the play worldwide, in theatre and in criticism, wherever possible from the first known performances to the present day. He discusses evidences of Hamlet's experience in Armenia, Austria, Belgium, Bulgaria, Canada, China, Czechoslovakia, Denmark, Estonia, Finland, France, Germany, Greece, Holland, Hungary, India, Ireland, Israel, Italy, Japan, Korea, Norway, Poland, Romania, Russia, South Africa, South America, Sweden, Turkey, the United Kingdom, the United States, and Yugoslavia. Theatres from a number of these countries provided the author with videotapes of their Hamlet performances; his study of these, and of films and recordings, and of a number of modern stagings in America and abroad, deepened his sense of the play, as did interviews with actors and directors, and insights sent to him by colleagues and friends from throughout the world. Mr. Rosenberg followed one Hamlet production through rehearsals to performance, for personal experience of the staging of the play he discusses, as he did in his earlier books, *The Masks of Othello*, *The Masks of King Lear*, and *The Masks of Macbeth*. And as with the latter two studies, he came upon further illuminations of Shakespeare's art by exposing Hamlet to "naive" spectators who had never read or seen the play.

**Mother Without a Mask** - Patricia Holton  
2004-10

When Patricia Holton welcomed the two sons of a Gulf Sheikh with whom her husband worked into her home, little did she know that she was building a bridge between two worlds. Over the following years Patricia travelled frequently to their homeland, enjoying their family's

hospitality in the sophisticated townhouses and hotels brought by the oil rush to Abu Dhabi, as well as the traditional desert encampments. She became, to the Sheikha, Um Yusef (mother of Joseph) and, to the sons, Mrs. Tea Cup. She witnessed a world where ancient and modern were becoming entwined for the first time, where the waves are haunted by djinn spirits but camels have been replaced by Mercedes. *Life as We Knew it* - Susan Beth Pfeffer 2008

**Battle Hymn of a Bewildered Mother** -

Shunali Khullar Shroff 2015-03-15

As much with life, parenting in the new millennium does not come with an instruction manual. If you happen to be a girl about town, a super successful career woman, a must-live-each-day-as-it-comes kind of person, impending motherhood can be as imposing as a trip to outer space without an oxygen mask. Welcome to the opposite of everything you know. Shunali Khullar Shroff in *Battle Hymn of a Bewildered Mother* begins her journey as someone chronically devoid of what is naturally termed as the maternal instinct. But in spite of her misgivings, she eventually realizes there is nothing else she'd rather be doing than burping her babies while avoiding all traces of tranquilizers. This brilliant, whimsical, bumpy tale of everyday madness has a voice of a mother both honest and hilarious. From exchanging her corporate suits for mess-retardant mommy wear, from balancing work clients to battling two girls' questions and demands, this book is a journey of a mother constantly walking on thin ice over the Bermuda Triangle. Based on the principles of lunacy and humour, Shunali Khullar Shroff reveals the realities of a parent in today's ultramodern, supersonic, and chaotic world.

**Removing the Mask** - Allyn M. Mitchell  
2013-10

In my book, “Removing the Mask: The Life of A Struggling Mother, I Allyn Mitchell invite you to travel with me, down my lonely road called life. I have always been a woman of faith even though I was a preacher's daughter, I never experienced the true meaning of God's love. I always felt like the black sheep of the family because of the absence of my mother's love. At a very young age, my mother gave me to my grandmother. After my grandmother's passing, my life was never the same. I always had a gift for fashion and a flair for beauty. I took that gift and made a life for myself and my children. With that life came a lot of jealousy and pain- people stereotyping me as being a bitch and a whore because of the way I looked and the way I carried myself. I was a classy lady and carried myself with the utmost respect, but because of my unique style, people formed an unapproachable opinion about me. Men used my kindness for weakness because of my kind heart, people lied about me and called me a lot of hurtful names. My life was filled with many heartaches and pain. All that pain was followed by my cheating husbands, the murder of someone I loved so deeply, the imprisonment of my son, and the taking of my daughter. Through all the homeless moments in my life, I still kept the faith, that one day God would reward me for all these trials and tribulations, I had in my life. There was one big secret, I had in my life that only me and God knew about. Soon, the whole world will know. But I know through it all, I have to forgive those who played a part in my pain and suffering. To you all, I forgive you because you don't realize what you've done and are doing. The devil is using you as a vessel to bring pain and suffering to your sister in Christ. May God bless you all. Amen.

**Crying in H Mart** - Michelle Zauner 2021-04-20  
A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER •  
From the indie rockstar of Japanese Breakfast fame, one of TIME's Most Influential People of 2022, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the

East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

*The Mask of Motherhood* - Susan Maushart 2000-05-01

Becoming a mother is filled with the extremes of emotion --the highest highs and the lowest lows. But women are often reluctant to talk honestly about the experience for fear they'll be seen as bad mothers. With wit and candor, *The Mask of Motherhood* takes on the myths and the misinformation, helping women to prepare and deal with the depth of feeling that comes with the experience and perhaps most important, it

lets them know that many, if not most, new mothers are feeling the same way. Susan Maushart, sociologist and mother of three, explores how motherhood affects our marriages and friendships, our relationships with parents, our sex lives, and our self-esteem. In *The Mask of Motherhood*, mothers will find the comfort and reassurance they are looking for, and confirmation that, indeed, motherhood is the toughest job in the world, but can also be the most rewarding.

*The Wings of Pride* - Louise Kennedy Mabie 1913

*The Mothers* - Brit Bennett 2017-10-10

NEW YORK TIMES BESTSELLER "Bittersweet, sexy, morally fraught." -The New York Times Book Review "Fantastic... a book that feels alive on the page." -The Washington Post From the New York-Times bestselling author of *The Vanishing Half*, the beloved novel about young love and a big secret in a small community. Set within a contemporary black community in Southern California, Brit Bennett's mesmerizing first novel is an emotionally perceptive story about community, love, and ambition. It begins with a secret. "All good secrets have a taste before you tell them, and if we'd taken a moment to swish this one around our mouths, we might have noticed the sourness of an unripe secret, plucked too soon, stolen and passed around before its season." It is the last season of high school life for Nadia Turner, a rebellious, grief-stricken, seventeen-year-old beauty. Mourning her own mother's recent suicide, she takes up with the local pastor's son. Luke Sheppard is twenty-one, a former football star whose injury has reduced him to waiting tables at a diner. They are young; it's not serious. But the pregnancy that results from this teen romance—and the subsequent cover-up—will have an impact that goes far beyond their youth. As Nadia hides her secret from everyone, including Aubrey, her God-fearing best friend, the years move quickly. Soon, Nadia, Luke, and Aubrey are full-fledged adults and still living in debt to the choices they made that one seaside summer, caught in a love triangle they must carefully maneuver, and dogged by the constant nagging question: What if they had chosen differently? The possibilities of the road not

taken are a relentless haunt. In entrancing, lyrical prose, *The Mothers* asks whether a "what if" can be more powerful than an experience itself. If, as time passes, we must always live in servitude to the decisions of our younger selves, to the communities that have parented us, and to the decisions we make that shape our lives forever.

***Understanding the Borderline Mother*** -

Christine Ann Lawson 2002

The first love in our lives is our mother. Recognizing her face, her voice, the meaning of her moods, and her facial expressions is crucial to survival. Dr. Christine Ann Lawson vividly

describes how mothers who suffer from borderline personality disorder produce children who may flounder in life even as adults, futilely struggling to reach the safety of a parental harbor, unable to recognize that their borderline parent lacks a pier, or even a discernible shore. Four character profiles describe different symptom clusters that include the waif mother, the hermit mother, the queen mother, and the witch. Children of borderlines are at risk for developing this complex and devastating personality disorder themselves. Dr. Lawson's recommendations for prevention include empathic understanding of the borderline mother and early intervention with her children to ground them in reality and counteract the often dangerous effects of living with a "make-believe" mother. Some readers may recognize their mothers as well as themselves in this book. They will also find specific suggestions for creating healthier relationships. Addressing the adult children of borderlines and the therapists who work with them, Dr. Lawson shows how to care for the waif without rescuing her, to attend to the hermit without feeding her fear, to love the queen without becoming her subject, and to live with the witch without becoming her victim. Parents and educators have found it to be a wonderful tool to start a conversation about germs, viruses, the pandemic, and what families have to do to keep themselves and others safe.
